"Sips n Tips":

The name Syrah is derived from Shiraz, a city in Iran. Some people believe its origin dates back to 600 B.C. One thing we know for certain is that the great black grape is the classic varietal of the Rhône Valley in central France. Made in a richer style, it's a good accompaniment to lamb and wild game.

Tasting notes:

The color is dominated by ruby hues that lighten to cherry red at the edge of the glass. The nose is filled with dark plum fruit, olive and holiday spice. The taste is smooth and fruity with flavors of raspberry and cracked black pepper. This is a generous wine that is easy to drink but mouth filling. The finish is elegant with silky tannins and a long finish. Enjoy our Old Vine Syrah with any grilled meat, burgers or pizza.
