“Sips n tips”:

Cabernet Sauvignon is *the* classic Bordeaux grape. The great wines of the “Left Bank” *Medoc, Haut Medoc* and *Graves* are primarily Cabernet Sauvignon. It is a survivor and has reached this lofty pinnacle by dint of its dark color, thick, rain resistant skins, good acidity and tannins. The classic English Claret was a wine that took years to mature but the wines were worth the wait. Today’s wines are much more approachable and the grape is planted in every wine region in the world. Our grapes came from Lodi where warm days and cool delta breezes mingle and produce grapes that are well balanced and ripe. For food choices, Steak, Prime Rib, Lasagna, and hearty cheeses such as Cheddar, Colby and especially the Blue Cheeses: Roquefort, Camembert or Danish Blue are perfect to enjoy with this Cabernet Sauvignon.

Tasting notes:
