NET CONTENTS : 750ML CONTAINS SULFITES

### “Sips n tips”:

Merlot is one of the classic Bordeaux wines, often used to blend with Cabernet Sauvignon. Merlot has cassis, blackberry, plum and black cherry aromas and flavors with hints of chocolate and sometimes leather. Merlot, while similar in flavor to Cabernet Sauvignon, usually is less tannic and astringent and, therefore, is easier to drink at a relatively young age. Merlot pairs well with a variety of foods.
